APPLICATION FOR TRANSFER  
OF  
NOTICE OF INTENTION  
(FORM MR-TRS)

This Application For Transfer of Notice of Intention (Application) is submitted by, (Transferor) Pauline Pugh who is the current operator of Notice of Intention to Conduct Mining Operations (NOI), permit number (NOI File Number); S/049/0012 and by, (Transferee) Ambro And Son LLP who is requesting approval of the Division to assume the obligations of Transferor and to be Operator of the NOI. The Notice of Intention, Transferor, and Transferee governed by this Application are more fully identified on the attached Fact Sheet.

1. Operator agrees to transfer the rights and obligations to operate under the terms of the NOI to the Transferee, The Transferor does not intend to retain any rights to conduct mining operations within the area covered by the NOI, unless provision, 2a. is initialed.
2. The Transferor is assigning a portion of the lands associated with the NOI, and therefore subject to adherence to the additional conditions:
  - a. Initials: n/a Transferor hereby indicates that he/she intends to retain the right to conduct mining operations on a portion of the lands included in the NOI;
  - b. The Division must determine that the retained lands can be mined and reclaimed independently of the lands identified to be transferred by this Application.

DIV. OF OIL, GAS & MINING

- c. The lands that Transferor intends to retain and access to the lands will be clearly identified by amending the NOI and associated maps prior to Division approval of this transfer.
  - d. Both Transferor and Transferee understand that in addition to the requirements of the Transferee, the Transferor must modify or replace the NOI, and have a Division approved surety and reclamation contract before the Transfer receives Division approval.
3. Transferee and Transferor understand the transfer of the ***NOI is not complete until all the applicable requirements are met***, including the Transferee submittal and Division approval of the amended NOI, reclamation surety and reclamation contract.
  4. Initials of Transferee: RA Transferee has read and has a copy of the current NOI and mining and reclamation plan.
  5. Transferee shall conduct mining operations on lands included in the NOI in accordance with the Utah Mined Land Reclamation Act, Sections 40-8-1 et seq., Utah Code Annotated, (2005, as amended) (hereinafter referred to as "Act"), the regulations adopted pursuant to the Act, and the Mining and Reclamation Plan (if any) and other conditions of the NOI as currently approved.
  6. The Transferee shall provide a surety in a form and amount approved by the Division or the Board of Oil, Gas and Mining (Board) to assure reclamation of the lands affected by the mining operations.
  7. Transferee assumes full responsibility to inspect the proposed site and mining operations and to be fully knowledgeable of all existing conditions. The Transferee is responsible for compliance with the conditions of the permit and the obligations regardless of the nature of the conditions at the site, the nature of the operations, and any lack of knowledge of any latent or apparent conditions.
  8. Transferor continues to be liable for compliance with all of its obligations under the current NOI until (a) the Transferee replaces or modifies the NOI as required and determined complete by the Division; (b) the Transferee executes a reclamation contract in the form provided by the Division agreeing to complete the work as set out in the NOI, the Act, and the regulations; and (c) the Transferee submits an acceptable surety and the surety is approved by the Division or the Board as required.
  9. After all of these conditions of provision 8 have been satisfied the transfer will be approved by the Division and the Transferee will be the Operator for the NOI.
